

Care to Party on a *Super Yacht*?

RA 11 · INDIA'S FIRST SUPERYACHT · CORPORATE EVENTS, GOA

A floating venue engineered for corporate hosting — annual days, channel partner meets, product launches, gala dinners and conferences — for up to 350 guests on the Arabian Sea. You run the meeting; we run the boat.

01 · WHAT YOU CAN HOST

Six formats. One yacht.

Each configured by our team in advance. The banquet hall is fully indoor and air-conditioned; the casual dining deck is weather-protected. Same boat, entirely different evenings.

Channel Partner Meets

Distributors, dealers, real-estate networks — 150–300 aboard a venue that isn't another conference room.

Annual Days

The whole company on one boat — speeches, awards, dinner, dance — without leaving Goa.

Gala Dinners & Awards

Plated dinner for 100–250, full AV, branded décor, the Arabian Sea as the backdrop.

Product Launches

Built-in screen, multi-deck staging, a 300-strong room of press and partners, closed-loop.

Conferences & AGMs

Banquet hall doubles as a conference floor — theatre/classroom seating, AV, breakouts, GST-invoiced.

Team Building & Offsites

A full-day programme that ends with the team still together, at sea, at sunset.

The same yacht. Four evenings.

"Can you fit my group?" Answered once, here — then on to the interesting parts of the brief.

COMMERCIAL TERMS

— GST-invoiced as standard

Registered in Goa; PO formats, advance percentages and procurement coordination handled.

— Advance to confirm

A booking advance confirms the date; the balance is settled prior to sail. Exact schedule in your proposal.

— Weather-protected

Monsoon events route to the indoor air-conditioned banquet hall; forecast monitored, run-of-show adjusted, reschedule policy in the proposal.

De-risked, end to end.

A yacht raises the bar on assurance — so we lower it, visibly.

— Jetty & access

Boarding from a private jetty on the Mandovi, ~20 minutes from Panjim; hotel-to-jetty transfers arranged on request.

— Safety & compliance

Coast Guard-cleared operations, certified capacity, trained crew, life-safety equipment for the full headcount.

— Licensed & insured

Fully licensed charter operation; vessel and event coverage in place; documentation available for vendor onboarding.

— Accessibility & manifest

Guest manifest and ID coordination supported; staggered arrivals for 200+ groups.

07 · WHY RA 11

Not a hotel ballroom.

— India's first superyacht

150 ft, three decks, 350 capacity — nothing in the country comes close at this scale.

— Founder-led, every booking

Brian & Amulya, founders of Privé Luxury Yachts, personally run each corporate brief.

— A track record that travels

Trusted by corporate teams for annual days, partner meets and launches — client references available under NDA on request.

— Goa-native operator

A team that lives twenty minutes from the jetty — not a marketplace reselling a boat.
